**Mandatory Language for Monitoring and Reporting Violation**  
**Chemical Sampling**  
**CHEMICAL MONITORING, ROUTINE MAJOR**

**HICKORY HOLLOW WATER SYSTEM PWS ID 2030005** has violated the monitoring and reporting requirements set by Texas Commission on Environmental Quality (TCEQ) in Chapter 30, Section 290, Subchapter F. Public water systems are required to collect and submit chemical samples of water provided to their customers and report the results of those samples to the TCEQ on a regular basis.

We failed to monitor and/or report the following constituent and Monitoring Periods: \_

| <u>Constituent</u> | <u>Monitoring Period</u> |
|--------------------|--------------------------|
| <u>CYANIDE</u>     | <u>2020</u>              |
| <u>NITRATE</u>     | <u>2020</u>              |
| <u>VOC</u>         | <u>2020</u>              |
| <u>SOC5</u>        | <u>3YR2020</u>           |

Results of regular monitoring are an indicator of whether or not your drinking water is safe from chemical contamination. We did not complete all monitoring and/or reporting for chemical constituents, and therefore TCEQ cannot be sure of the safety of your drinking water during that time.

We are taking the following actions to address this issue: <corrective actions> We had to provide the chemical monitoring and reporting results to TCEQ in a timely manner and it was done on 04/16/2021 and we returned to compliance.

Please share this information with all people who drink this water, especially those who may not have received this notice directly (i.e., people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

**Instructions for preparing the required Public Notice:**

Recopy the mandatory language above and insert the underlined information in the spaces indicated.

The TCEQ recommends that the public water system provide a copy of the Public Notice(s) to local and state officials, such as Mayors, City Council Members, County Commissioners, Judges, and/or State Representatives, that are located in or that represent the affected area(s) served by the system.

**Public Notice delivery timelines:**

The initial public notice shall be issued as soon as possible, but in no case later than 90 days after the violation was identified. Repeat public notice shall be issued every 90 days for as long as the violation persists. All notifications require the attached Certificate of Delivery due 10 days from the posting date of the above notice.

Refer to 30 TAC §290.122 for additional information on Public Notification.
